**EAGLE RIDGE SCHOOL**  
2002 EAGLE RIDGE DRIVE  
SILVIS, IL 61282

---

Dear Parents:

Throughout the year school events are photographed or videotaped, and often the news media will request news items and pictures. In addition, we would like you to know the capability of broadcasting videotapes on Cable Access. Although no compensation will be offered the participant in such photographs or videotapes, we would, nevertheless, like to share the special events in School District #36 with the community.

If you do NOT want your child (ren) to take part in a program that might be televised or be included in photographs of school activities, **please complete the bottom part of this form letter and return it to the principal of our school.**

Sincerely,

Eagle Ridge Administration
