Return to Learn Plan
First Day of School August 17, 2020
Eagle Ridge Hybrid Schedule*:
Students will have 2 days of in-person learning and 3 days of remote learning
In-person learning will be from 8:00am-12:30pm

After registration, students will be separated into two groups: Group A and B

Group A: Attend in-person instruction on Monday and Thursday (Remote on Tuesday, Wednesday, Friday)

Group B: Attend in-person instruction on Tuesday and Friday (Remote on Monday, Wednesday, Thursday)

Wednesday will be exclusively remote learning for ALL students

Focus of in-person learning:
Elementary: English/Language Arts and Math
Middle School: English/Language Arts, Math, Science, Social Studies

Specials (PE, Art, Music, Band) will be exclusively remote learning

Breakfast and Lunch information on days of in-person attendance:

Breakfast: Students will take their breakfast to their classroom to eat before class
Lunch: Students will be provided a sack lunch as they are dismissed to go home.
Snack: Students will be offered a mid-morning snack provided by the school

Expectations:

- Temperature checks will be provided by an Eagle Ridge staff member prior to any student entering a school bus or the school building
- ALL students, faculty, and staff
  - are required to wear masks during the school day
  - are to abide by the IDPH 6ft. social distancing regulations
  - are encouraged to use hand sanitizing stations regularly throughout the school day
- NO visitors will be allowed in the building at anytime (Excluding deliveries)
- Parents will not be permitted into the building unless there is an emergency with their child
- Parents are encouraged to provide masks for their children daily
- Supervised water stations will be provided by the district
- Students are encouraged to bring water bottles daily for drinking
- Students will have supervised restroom breaks throughout the day
- If a student or staff member becomes infected with COVID 19, the district will take the necessary safety precautions and follow IDPH quarantine guidelines

*Plan subject to change per updated CDC, IDPH, and/or Governor guidelines
